

AAVF 2024 - Overview

This programme is subject to changes. The updated programme is available at www.AAVF.dk

Thursday 16/5

19:00-00:00	Pre-Festival	Ridehuset	Join the party and celebrate Aarhus and all of its wonderful singers, vocal groups and choirs. AAVF and Syng are proud to present a sample of a vast variety of great choirs and vocal groups. The Pre-Festival is put on in collaboration with Syng and is a stand-alone one-day festival. There will be two stages in Ridehuset, and therefore we can present a large variety of groups. The bar will be open and you'll experience top-notch vocal concerts with old, as well as new, friends. Who is SYNG? Syng is a Danish youth choir organisation. Since its founding, Syng has funded, developed, and supported a large number of events and projects all over Denmark in support of its goal: "Bringing awareness and understanding of the joy of singing to young people between the age of 10 and 30".
